If you've ever dreamed of a country retreat, this nearly five-acre property at 270 W. 15th St. in Hammonton is your perfect opportunity. Situated in a tranquil location, this spacious home features four bedrooms and three bathrooms, where every day feels like a peaceful getaway.

As you approach the property, you'll be greeted by an expansive, covered porch that spans the length of the house. This inviting space is ideal for unwind-

ing during warm summer evenings or crisp fall afternoons. An enclosed porch at the back of the home extends your enjoyment of the outdoors through all seasons.

Step inside, and you'll immediately appreciate the home's generous living areas. The living room exudes warmth with its wood-paneled walls and cozy fireplace—perfect for those chilly nights.

The adjacent kitchen and dining area are designed with both functionality and style in mind, boasting gorgeous plank flooring, recessed and pendant lighting,

stainless steel appliances, and elegant granite countertops. The countertops extend to include a convenient seating area for four, perfect for casual dining and socializing.

Just off the dining room, the den features a stunning wood plank vaulted ceiling, adding a touch of rustic charm. From the den, you'll find the expansive primary ensuite, which includes a luxurious jetted soaking tub and a custom glass window that enhances the serene atmosphere. An additional bedroom on the main level provides flexible space for family or guests.

Upstairs, the home continues to impress with two additional bedrooms, a full bathroom, and a versatile bonus room that can be tailored to your needs—whether as an extra bedroom, office, or playroom.

The outdoor amenities are equally remarkable. A long driveway circles around to the back of the house, offering ample parking space. The property features a detached four-car garage, a haven for car enthusiasts or hobbyists, along with an additional garage for even more storage options.
