Tucked within a peaceful 3.5-acre lot at 418 Winterberry Ln., this four-bedroom, three-bathroom custom-built home offers refined living. A large covered front porch greets you upon arrival, providing a spot to relax and enjoy the surrounding landscape.

The open-concept first floor welcomes you with Brazilian cherry hardwood floors and stunning custom wood-

work. Elegant crown molding adds a sophisticated touch throughout the home.

The kitchen serves as the heart of the home, with its two-chair island and space for a dining table just steps away. Its open layout connects to the family room, creating a versatile area great for both everyday living and entertaining.

Heading upstairs, you'll discover the expansive primary suite, a private retreat with a spa-like bathroom. Indulge

in the luxury of dual shower heads, a jetted tub, and high-end finishes that complete this space.

The remaining bedrooms provide plenty of comfort, offering flexibility for family or guests. All the rooms are brightened by large windows, welcoming an abundance of natural light.

Venture downstairs to the 9 ft. ceiling basement, equipped with poured concrete walls and Belco doors for easy access. The French drain adds peace of

mind, keeping the basement dry and ready for customization to suit your needs.

Throughout the home, Anderson windows with a thermal performance package ensure energy efficiency, while the heated two-car garage adds convenience.

Additional features include a Timberline lifetime 50-year shingle
